A. The plan payments by Debtor shall consist of the total amount previously paid (\$2,520.00) added to the continuing monthly payment in the amount of **\$455** for **54** months, commencing November 2017 (total plan length: 60 mos)

**Total of Plan Payments:     \$27,090.00**

### III. PAYMENT OF CLAIMS.

#### A. SECURED CLAIMS

1. Mortgages and Other Direct Payments by Debtor. Payments will be made directly by the Debtor to the following creditors (i.e. paid outside the plan), beginning with the first payment(s) due following the filing date of the Petition:

Name of Creditor	Description of Collateral	Monthly Payment	Principal Balance
Ditech Financial LLC	1348 Harrison St. Philadelphia, PA 19124	\$972 (includes escrow)	\$118,709.00

2. Arrears - The Debtor proposes to cure defaults by means of monthly payments to the trustee. Debtor shall pay the lesser of the amount below or the allowed secured claim. Debtor reserves the right to object to any and all of these claims and amend/modify the plan if necessary. Upon payment in full of the below amounts, any prepetition judgment based on this debt shall be vacated and the lawsuit discontinued.

Name of Creditor	Description of Collateral	Pre-petition Arrears to be Cured
Ditech Financial LLC (Claim No. 4)	1348 Harrison St. Philadelphia, PA 19124	\$24,367.64

3. Secured claims not being paid. The following secured claims are either disputed by the Debtor or otherwise not being paid though the plan as secured claims. These creditors will retain liens, if any, allowed under nonbankruptcy law unless Debtor brings a motion under bankruptcy rule 3012 and/or an adversary action, as appropriate under section 506(a) to determine the extent, validity, and priority of any lien. If Debtor is successful in determining the claim(s) is/are unsecured, the claimants shall release their liens.

Name of Creditor	Description of Collateral	Total paid through the plan
City of Philadelphia (Claim No. 6)	1348 Harrison St. Philadelphia, PA 19124	\$3,029.25
City of Philadelphia (Claim No. 7)	1348 Harrison St. Philadelphia, PA 19124	\$407.50

4. Lien Avoidance. Debtor proposes to avoid the lien of the following creditor. The value of the collateral has been determined by a motion brought under bankruptcy rule 3012. Confirmation constitutes a finding that the debt that is the subject of the mortgage identified below is a wholly unsecured claim pursuant to 11 U.S.C. §§ 506(a) and (d). **If the creditor wishes to contest the avoidance of the lien, the creditor must file an objection to this plan. Otherwise confirmation of the plan will avoid the lien.**

Name of Creditor	Description of Collateral	Lien Avoided

  - b. *Attorney's Fees.* Debtor's attorney has been paid pre-petition for "basic services" as defined by the representation agreement with Debtor, subject to court approval. Supplemental fee applications may be submitted, subject to court approval and availability of estate funds.

**C. UNSECURED CLAIMS**

1. Claims of General Unsecured Creditors. Allowed unsecured claims shall be paid on a **pro rata** basis after all administrative, priority and/or secured claims are paid in full. There is no guarantee of a distribution to unsecured creditors.

#### IV. OTHER PLAN PROVISIONS

- A. Provision regarding duties and rights of certain mortgage holders and servicers. Confirmation of the plan shall impose an affirmative duty on the holders and/or servicers of any claims secured by liens, mortgages and or/deeds of trust on the principal residence of the Debtor to do the following:
1. Apply the payments received Debtor for ongoing postpetition payments to the Debtor's mortgage account as if the account were current and no prepetition default existed on the petition date and apply payments in the order of priority specified in the note and security agreement and applicable nonbankruptcy law. Postpetition installment payments made in a timely manner under the terms of the note shall be applied and credited without penalty.
  2. Apply and credit payments disbursed by the trustee only to the pre-petition arrearage. For purposes of this plan, the "pre-petition arrearage" shall include all sums included in the "allowed" proof of claim and authorized by the note and security agreement and applicable nonbankruptcy law. The pre-petition arrearage shall have a "0" balance after both: (1) the Discharge Order in this case has been entered; and (2) payment in full of the stated arrears in the allowed proof of claim has been made.
  3. Deem the pre-petition arrearage as contractually current upon confirmation of the plan, thereby precluding the imposition of late payment charges or other default-related fees and services based solely on the pre-petition default or defaults.
  4. Notify the debtor and the attorney for the debtor, in writing, of any changes in the interest rate for any non-fixed rate or adjustable rate mortgages and the effective date of any such adjustment or adjustments not less than 60 days in advance of such change or at such time as the change becomes known to the holder if the change is to be implemented in less than 60 days.
  5. Notify the debtor, and the attorney for the debtor, in writing, of any change in the property taxes and/or the property insurance premiums that would either increase or reduce the escrow portion, if any, of the monthly mortgage payments and the effective date of any such adjustment or adjustments not less than 60 days in advance of such change or at such time as the change becomes know to the holder if the change is to be implemented in less than 60 days.

6. Within 60 days after receipt of a written request made by the Debtor to the servicer or mortgage lender, with a copy served upon its counsel, the servicer or mortgage lender shall provide Debtor and his counsel a statement detailing the following amounts paid by the Debtor post-petition: (1) all payments applied to the principal balance; (2) all payments applied to interest; (3) all payments applied to any escrow account; (4) all payments applied to any pre-petition arrearage claim and the remaining balance; and (5) all fees and charges alleged to have accrued post-petition, along with an explanation thereof. The statement may be in the form of a post-petition ledger prepared by the servicer or lender provided the documents used to prepare same are also provided. The Debtor may (i) challenge this information by filing a motion with the Court, to be served upon the holder and the Trustee, (ii) propose a modified plan to provide for payment of additional amounts that the Debtor acknowledges or the Court determines are due, or (iii) take no action at all. To the extent that amounts set forth are not determined by the Court to be invalid or are not paid by the Debtor through a modified plan, the rights of the holder to collect these amounts will be unaffected. The failure of mortgage holder or servicer to timely respond to Debtor's request under this paragraph shall be deemed a waiver for all purposes of any claim for fees, expenses or charges accrued as of the date of Debtor's written request, and mortgage holder or servicer shall be prohibited from collecting or assessing such fees, expenses or charges against the Debtor or the Debtor's account during the case or after entry of the order granting a discharge.
  7. Any failure of holders and/or servicers of any claims secured by liens, mortgages and or/deeds of trust on the principal residence of the Debtor to credit payments in the manner required by this plan shall be a violation of 11 U.S.C. § 524(I).
- B. Confirmation of this plan shall constitute a finding in accordance with 11 U.S.C. § 1322 that there is cause for extending the plan beyond three years. Confirmation shall also constitute approval of such extension. Such extension is essential to the success of the plan. Without it the plan would fail and no claims would be paid in full.
- C. Upon completion of this plan, all debts listed in the Debtors' schedules or provided for by this plan, except those excepted by 11 U.S.C. § 1328(a) shall be discharged.
- D. If prior to the expiration of the period set forth in Paragraph II of this plan, the "Total of Plan Payments" identified in Paragraph II is paid in full, this plan shall terminate on that date.

- E. If Debtor is required to file a motion or adversary to enforce the terms of this plan against a party bound by the plan, Debtor shall be entitled to reasonable fees and costs from that party.

**V. ORDER OF DISTRIBUTION.** Payments from the plan will be made by the trustee in the following order:

- A. Administrative claims pro rata until attorney's fee is paid in full.
- B. After the application of the appropriate amount each month to the administrative claims, the entire amount of the monthly payment remaining in the hands of the trustee shall be distributed in equal monthly payments, pro rata, to the holders of the allowed secured claims under Paragraph III.A. until each such claimant shall have received 100% of the amount allowed on each claim.
- C. After the administrative, priority, and secured claims are paid in full, the entire amount of the monthly payment remaining in the hands of the trustee shall be distributed, pro rata, to the holders of allowed general unsecured claims pro rata.
